- **WBS** brings students to you. **You** bring them to Jesus.
- **WBS Follow Up Evangelists** receive current information about WBS students who have completed the courses and desire to be baptized into Christ.

**People are saved. Churches are planted.
Daily, lives are forever changed.**

Each partner in the WBS network realizes the value of one soul, the urgency of the message, and the importance of his unique role. Together we seek the lost by casting the Net as we build faith in God while fishing for men.

Our Two-year Goals are:

- Increase awareness of the WBS Internet Department
- Increase annual Internet Teacher enrollment by 20%
- Increase annual Internet Student enrollment by 25%

- Develop Internet Teacher resources that will allow Teachers to work with increased numbers of Students
- Develop an automated baptism request system for WBS Teachers
- Develop a web-based record-keeping system for Teachers to track WBS Students and their progress

For we do not preach ourselves, but Jesus Christ as Lord, and ourselves as your servants for Jesus' sake. (2 Corinthians 4:5)

Changing Lives
